About this event

The SBA 8(a) Contracting Program is designed specifically for small business and can provide a tremendous boost to a company's government sales. Business Opportunity Specialist Vernice Mathis will explain the program, review benefits, and help you find out if your business is eligible. For those who pre-register their business in the U.S. System for Award Management (SAM) and bring their laptops, a step-by-step 8(a) application help-session will be included.

Find out if you meet basic eligibility criteria for the 8(a) program at www.sba.gov/federal-contracting/contracting-assistance-programs/8a-business-development-program.
